

FUSE

ESPORTS FESTIVAL

GOLD COAST / NOV 15 & 16 2024

PARENTS INFORMATION PACK

The FUSE Esports Festival is the only national live school esports event in Australia. Our objective is to provide all FUSE competition winners around the country the opportunity to compete against each other face to face in a fun and safe environment over 2 days.

Alongside the FUSE Finals we are also holding an Esports and Education Conference, where leading specialists around the country and internationally will be discussing esports within education in Australia. This is catered for teachers but students and parents are welcomed to purchase tickets if they wish to attend.

In conjunction with the the finals and conference we have created the amazing opportunity to share some gaming fun with the public and competitors. The FUSE “Free to Play Zones” will provide unique gaming experiences for everyone to enjoy.

We are extremely excited to be presenting this opportunity for school based esports in Australia and are proudly partnered with the Gold Coast City Council to ensure we deliver the best of the Gold Coast for all attendees. Thank you for being a part of the event as we at The FUSE Cup aim to inspire and create more recognition for Australian school based esports.
